INDEX

VOL. XLVII, 1954

Note.—In this volume two series of numbers are used for pagination, one being the sectional page number and the other the volume page number. The latter only is used in the Index.

- abdominal resection for rectal carcinoma and other lesions, technical aspects (C. P. Sames), 522
- Abreu, A. L. d', see d'Abreu, A. L.
- acid-base balance and potassium deficiency disorders, treatment (H. H. H. Merivale), 992
- Ackner, Brian, diabetes insipidus, obsessional neurosis and ? hypothalamic dysfunction, see Barton, Russell
- ACTH, see adrenocorticotrophic hormone
- Adams, A. Wilfrid, right nephrectomies for haematuria—strange calculus constellations (two cases) (*By title*), 592
- Adams, William Stirk, the management of haemorrhage following tonsillectomy (*Disc.*), 953
- Adamson, W. A. D., operations (*By title*), 1085
- Addison's disease and goitre (M. E. Morgans), 262
- presenting as psychosis (A. Bloom), 435
- adenocarcinoma of cervix in pregnancy treated by Wertheim's hysterectomy (J. R. E. James), 463
- adenoids and tonsils (*Discussion*), 955
- symptomatology of (W. Sheldon), 957
- adenoma, adrenocortical, removal, with subsequent adrenal hypofunction (A. S. Mason), 278
- cortical, with adrenocortical hyperplasia (D. G. Ferriman), 275
- Adler, J. (with A. F. Bromwich and B. Camber, for L. R. Broster), three cases of male iso-sexual precocity (pseudo-puberty) associated with adrenal enlargement (*By title*), 893
- adoption (*Discussion*), 1044
- adrenal cortex, surgery (*Discussion*), 999
- adrenalectomy, bilateral, in treatment of mammary and prostatic cancer (L. N. Pyrah), 1002
- bilateral total, in treatment of malignant hypertension (H. G. Hanley), 1013
- total, in treatment of malignant disease of prostate and breast (J. D. Fergusson), 1007
- adrenocortical adenoma, removal, with subsequent adrenal hypofunction (A. S. Mason), 278
- hyperplasia with cortical adenoma (D. G. Ferriman), 275
- adrenocorticotrophic hormone in treatment of macular degeneration (W. E. S. Bain), 722
- (H. E. Hobbs), 727
- in treatment of rheumatoid arthritis, indications (W. S. C. Copeman), 325
- (J. J. R. Duthie), 323
- adreno-genital syndrome (D. Innes Williams), 1000
- Aird, Ian, the surgery of conjoined twins (*Disc.*): the conjoined twins of Kano, 681.
- Alanson, Edward, 1747–1823, Liverpool surgeon (J. B. Oldham), 1057
- albumin, transfusion into patients with liver damage (H. N. Martin), 836
- alcoholics, management in general practice (*Discussion*), 331
- Alhadeff, R. (for M. R. Ewing), lingual thyroid, 510
- Allison, P. R., carcinoma of the cardiac end of the stomach (*Disc.*), 113
- Alment, E. A. J., (mono-amniotic twin pregnancy), 912
- alopecia, localized, with reticulosis (J. S. Pegum), 661
- amputation stump, femoral, acrylic replacement (A. C. Bingold), 11
- amyotrophy, neuralgic (E. C. O. Jewesbury), 917
- anemia, megaloblastic, investigation by gastric biopsy (*Discussion*), 423
- anaesthesia, antihistamines in (A. J. W. Beard), 407
- dental, for out-patients (J. G. Bourne), 416
- anesthetist abroad, an (R. R. Macintosh), 33
- role of, in management of intractable pain (J. J. Bonica), 1129
- anal canal, anatomy (A. G. Parks), 997
- analysis (F. O'D. Finigan), 641
- analytical psychology, theory and practice (*Discussion*), 639
- analgesia, epidural, lumbar and thoracic, indications for (P. R. Bromage), 308
- sacral-extradural, present position (A. H. Galley), 304
- spinal (T. C. Thorne), 301
- spinal and extradural, present position of (*Discussion*), 301
- Anderson, Daphne S. (*Disc.*), 175

- Anderson, Ian M.**, the value of antibiotics in gastroenteritis (*By title*), see Haas, L.
- Anderson, J.** (for C. E. Dent), idiopathic osteoporosis—symptomatic relief by plasma infusions, 509
- Anderson, J. C.**, treatment of the vasa deferentia in association with operations on the bladder: a method of interrupting them without separate incisions (*Disc.*) (*By title*), 815
- two parathyroid tumours (*By title*), see Tasker, J. H.
- aneurysm**, aortic, calcified, and coarctation of aorta (B. Walker), 512
- arteriovenous, of neck (L. T. Cotton), 256
- intracranial, accompanied by cranial nerve palsies (H. H. Hyland and H. J. M. Barnes), 141
- haemorrhage due to (M. A. Falconer), 693
- of carotid artery (J. Minton), 919
- animal disease control in Britain** (T. J. Bosworth), 23
- nutrition, function of antibiotics in (S. K. Kon), 747
- ankylosis of knee in paraplegic patients**, arthroplasty for (L. S. Michaelis), 1119
- anoxia**, cerebral, following burns (J. H. Paterson), 297
- Antarctic**, Dr. Edward Wilson of (B. J. Freedman), 183
- antibiotics**, effects on body functions (L. P. Garrod), 743
- function in animal nutrition (S. K. Kon), 747
- anticoagulants in coronary occlusion** (W. Evans), 318
- (A. R. Gilchrist), 317
- antihistamines in anaesthesia** (A. J. W. Beard), 407
- aortic aneurysm**, calcified, and coarctation (B. Walker), 512
- approved schools**, place of psychotherapy in (C. Lack), 223
- Arderne**, John, father of British proctology (T. McW. Millar), 75
- Arnott, D. C.** (with U. Shelley and N. R. Finnie), demonstration of general management and physiotherapeutic methods in 4 cases of cerebral palsy (*By title*), 1036
- arsenical keratoses and epithelioma with bronchial carcinoma** (C. D. Calnan), 405
- arterial grafts**, preservation by freeze-drying (C. G. Rob), 368
- spasm, carotid, cerebral pathology following (P. O. Yates), 606
- arteriovenous aneurysm of neck** (L. T. Cotton), 256
- malformations, intracranial haemorrhage due to (M. A. Falconer), 693
- artery**, basilar, stenosis and thrombosis (J. L. Silversides), 290
- carotid, left internal, intracranial aneurysm (J. Minton), 919
- arthritis**, rheumatoid, treatment by ACTH and cortisone, indications (W. S. C. Copeman), 325
- (J. J. R. Duthie), 323
- unusual (H. G. Mather), 457
- arthroplasty of knee for ankylosis in paraplegic patients** (L. S. Michaelis), 1119
- Arthure, H.**, carcinoma of the body of the uterus (*Disc.*), 907
- Ashcroft, D. Walker**, the management of haemorrhage following tonsillectomy (*Disc.*), 945
- Ashton, Norman H.**, periodic ophthalmia (*Disc.*): pathology, 237
- precancerous melanosis (*Disc.*), 734
- aspergillosis complicating pulmonary tuberculosis** (D. Barlow), 877
- asthmatic attack**, cortical blindness and spastic quadriplegia following apnoea in (J. Foley), 296
- Astley, R.**, hiatus hernia (*Disc.*), 538
- atrophy**, choroidal, associated with macular degeneration and Tay's "choroiditis" (H. Neame), 163
- Australia**, a medical historian in (D. Guthrie), 1059
- Avery, H.**, pulmonary stenosis in 2 siblings (*By title*), see Coles, H. T.
- Back, E. H.** (for O. Gotch), papulo-necrotic cutaneous tuberculides associated with primary pulmonary tuberculosis (*By title*), 1035
- (for J. N. O'Reilly), fibrocystic disease of pancreas with cirrhosis of liver (*By title*), 1035
- two cases of primary cutaneous tuberculosis of face and buttocks (*By title*), 1035
- back**, pain in lower region, significance of antalgic position and restriction of motion (A. Steindler), 1069
- backwardness**, mental, as paediatric problem (G. Ormiston), 1051
- bacteriology**, history (A. Bulleid), 37
- Bacterium coli**, aetiological importance of, in gastro-enteritis (*Discussion*), 967, 1067
- infections in calves (R. Lovell), 968
- Badenoch, A. W.**, multiple cysts of the kidney with stone formation (*By title*), see Ward-McQuaid, J. N.
- obstructed hydronephrosis following retrograde pyelogram (*By title*), 592
- (with A. G. Dingley), the influence of hyaluronidase in renal lithiasis, 809
- Badenoch, J.**, gastric biopsy and the investigation of the megaloblastic anaemias (*Disc.*): the use of labelled vitamin B₁₂ and gastric biopsy in the investigation of anaemia, 426
- Bailey, E. T.**, eosinophil granuloma of bone (*By title*), see Mistry, M.
- Bain, W. E. S.**, a further report on the response of macular disease to treatment with cortisone and ACTH; (1) case reports, 722
- Bamforth, J.**, carcinoma of the body of the uterus (*Disc.*), 903
- Band, David**, seminal tuberculosis (*Disc.*), 400
- spontaneous cure of a ruptured bladder (*Disc.*), 581
- Barlow, Donald**, aspergillosis complicating pulmonary tuberculosis, 877

- Barnett, H. J. M. (with H. H. Hyland), the pathogenesis of cranial nerve palsies associated with intracranial aneurysms, 141
- Barr, Mollie, combined immunization (*Disc.*): some immunological considerations, 352
- Bartholin's gland, carcinoma (R. M. Feroze), 912
- Barton, Russell (for Brian Ackner), diabetes insipidus, obsessional neurosis and ? hypothalamic dysfunction, 276
- basilar artery stenosis and thrombosis (J. L. Silversides), 290
- Bastiaanse, M. A. van Bouwdijk, see Bouwdijk
- Bastiaanse, M. A. van
- Bates, J. A. V., volitional movement (*Disc.*), 599
- Battle, R. J. V., spontaneous remission in cavernous hemangiomas (5 cases) (*By title*), 1036
- Bauwens, P., ?acute bilateral brachial radiculitis (neuralgic amyotrophy), see Jewesbury, E. C. O.
- Bayliss, R. I. S., and Hunter, J. B., Cushing's syndrome, 276
(with W. H. Stephenson), osteoporosis and hypogonadism (*By title*), 839
- Beard, A. J. W., antihistamines in anaesthesia, 407
- Beaumont, G. E., the use and abuse of rest as a therapeutic measure (*Disc.*), 177
- Beaver, R. A., and Gilliat, R. W. (for M. Kremer), chronic respiratory paralysis due to poliomyelitis treated by positive pressure inflation of the chest, 300
- Beck, Diana J. K., head injuries in civil practice (*Disc.*): the operative treatment of head injuries, 873, 876
the pathology of spontaneous intracranial hemorrhage (*Disc.*): operable intracranial hemorrhage, 700
- Beck, G. A. (with J. E. M. Wigley) nodular vasculitis (*By title*), 1066
- Behcet's syndrome (D. L. Phillips and J. S. Scott), 910
- Bell, J. G. Yates, polycystic disease of the kidneys and liver (*By title*), see Price, John
an unusual pyelogram (*By title*), 32
- Bennett, E. A., theory and practice in analytical psychology (*Disc.*): the collective unconscious, 639
- Bettley, F. Ray (*Disc.*), 175, 176
bullous pemphigoid with dystrophic changes (*By title*), see Marten, R. H.
- Bingold, A. C., acrylic replacement of painful osteomyelitic femoral amputation stump, 11
pseudarthrosis of tibia treated with four-pin compression clamp, 449
- biopsy, gastric, and investigation of megaloblastic anemias (*Discussion*), 423
- Birmingham Medical Institute, Odontological Section, combined meeting with Section of Odontology, 921
- birth, palsy, maternal (H. L.-C. Wood), 927
- Bishop, P. M. F. (with P. F. Hall), bilateral ovarian hernia, 435
- Black, D. A. K., electrolytic imbalance in urology (*Disc.*), 582, 592
- Black, G. W., clinical examination of the vitreous body (*Disc.*), 169
- Black, J. I. Munro, the keratoses of the larynx (*Disc.*), 245, 253, 254
- Black, J. N., electrolytic imbalance in urology (*Disc.*), 590
- bladder, rupture, spontaneous cure (G. E. Parker), 579
- bleeding, see hemorrhage
- blind children, responsibility of paediatrician towards (C. T. Potter), 715
- blindness, cortical, and spastic quadriplegia following apnoea in asthmatic attack (J. Foley), 296
- blood lipoproteins (A. C. Frazer), 834
- Bloom, Arnold, Addison's disease presenting as psychosis, 435
- Bloomfield, Alice, dysgerminoma of the ovary, 461
- Boland, J., and Tudway, R. C., some trends in radiotherapy shown at the seventh international congress of radiology (*Disc.*): developments in technique and treatment policy (*By title*), 341
- Bond, Stanley A., leucoplakia and allied conditions (*Disc.*) (*By title*), 910
- Bond, W. H., the keratoses of the larynx (*Disc.*): radiotherapy of hyperkeratosis, 251, 253
- bone changes in diabetes (W. A. Copland), 345
tuberculosis, cystic (R. O. Murray), 133
- Bonica, John J., the role of the anaesthetist in the management of intractable pain, 1029
- books received, 48, 90, 182, 240, 400, 516, 622, 644
894, 965, 1098
- books reviewed:
American College of Surgeons, Surgical forum 1953, 793

- Boyd, Reynold H., the infertile marriage in general practice (*Disc.*), 713
- Boyle, A. C., spondylosis (*Disc.*): the pathology and incidence of spondylosis, 49
- Brain, R. H. F., the nutrition of the surgical patient (*Disc.*), 987
- Brain, R. T. (*Disc.*), 403, 658, 1064
- acrosclerosis (*By title*), 657
- bullous pemphigoid (*By title*), 657
- lichen planus annularis atrophicus (*By title*), 1066
- lichen planus in a child (*By title*), see Sanderson, K. V.
- nævus vascularis reticularis (two cases), 172
- prurigo nodularis (*By title*), 662
- Brain, Sir W. Russell, loss of visualization, 288
- brain, anoxia following burns (J. H. Paterson), 297
- calcifying tuberculoma after tuberculous meningitis (J. Lorber), 916
- gliomata, radiotherapy for (J. Penman), 677
- hæmorrhage, due to aneurysms and arteriovenous malformations (M. A. Falconer), 693
- operable (D. J. K. Beck), 700
- spontaneous, pathology of (*Discussion*), 689
- pathology following carotid spasm (P. O. Yates), 606
- breast, cancer, treatment by adrenalectomy (J. D. Fergusson), 1007
- (L. N. Pyrah), 1002
- Brentnall, G. C., sarcoma of the uterus (two cases), see Harris, J. W. S.
- Brews, R. Alan, endometriosis including endometriosis of the diaphragm and Meigs' syndrome, 461
- Briggs, James (for R. C. F. Catterall), congenital absence of the lower end of the tibia, 459
- Bromage, P. R., the present position of spinal and extradural analgesia (*Disc.*): indications for lumbar and thoracic epidural analgesia to-day, 308
- Bromwich, A. F., Camber, B., and Adler, J. (for L. R. Broster), three cases of male iso-sexual precocity (pseudo-puberty) associated with adrenal enlargement (*By title*), 893
- bronchial carcinoma (J. B. Shaw and M. A. Erooga), 879
- with arsenical keratoses and epithelioma (C. D. Calnan), 405
- Brooks, Donald M., anterior poliomyelitis (*Disc.*), 265
- Brossy, H. J. (for M. R. Ewing), tuberculosis of anus cured by local streptomycin (*By title*), 517
- Broster, L. R., three cases of male iso-sexual precocity (pseudo-puberty) associated with adrenal enlargement (*By title*), see Bromwich, A. F., Camber, B., and Adler, J.
- Brown, J. J. Mason, ulcerative colitis in infancy (two cases) (*By title*), 1085
- Brown, K. Paterson, operations (*By title*), 1085
- Browne, Denis J., urethroplasty in the treatment of strictures (*Disc.*), 396
- Bruce, John, head injuries in civil practice (*Disc.*), 876
- modern techniques in the surgery of the colon (*Disc.*), 1093
- some unusual cases of colon disease (*By title*), 1085
- Bull, J. P., pathological sequelæ of burns (*Disc.*): fluid and electrolyte exchange in burns, 229
- Bulleid, Arthur, the microbe hunters (*Pres. address*), 37
- Burdon-Sanderson, Sir John (Sir Arthur S. MacNalty), 754
- Burn, J. H., the pharmacology of chlorpromazine and promethazine, 617
- Burns, Charles L. C., a forgotten psychiatrist—Baron Ernst von Feuchtersleben, M.D., 1833, 190
- burns, cerebral anoxia after (J. H. Paterson), 297
- endocrine response (W. J. H. Butterfield), 223
- fate of red cells following (E. Topley), 230
- fluid and electrolyte exchange in (J. P. Bull), 229
- infection (E. J. L. Lowbury), 231
- local vascular changes in skin (S. Sevitt), 225
- pathological sequelæ (*Discussion*), 225
- Bury, J. D. (chorangioma of the placenta), 911

- Butler, E. C. B., complete rectal prolapse following removal of tumours of the cauda equina: two cases, 521
- Butler, Neville R., combined immunization (*Disc.*): clinical aspect, 357
- Butterfield, W. J. H., pathological sequelae of burns (*Disc.*): the endocrine response to burning injury, 228
- Buttle, G. A. H., pharmacology and experimental medicine (*Pres. address*), 431
- Buxton, R. J., clinical examination of the vitreous body (*Disc.*), 170
- cachexia, malignant (Hugh Donovan), 27
- Cade, Irene S. (for George Qvist), mixed parotid tumour, 513
- Casarian section scar, rupture in subsequent pregnancy and labour (D. M. Stern), 123
- Caine, Marco, treatment of the vasa deferentia in association with operations on the bladder: a method of interrupting them without separate incisions (*Disc.*) (*By title*), 815
- calcification, pancreatic, steatorrhœa, diabetes mellitus, pulmonary tuberculosis and intermittent claudication (M. M. Martin), 513
- pulmonary, non-tuberculous (J. Lorber), 130
- calcified aortic aneurysm and coarctation of aorta (B. Walker), 512
- calcifying intracranial tuberculoma after tuberculous meningitis (J. Lorber), 916
- calculus, renal, hyaluronidase and (A. G. Dingley and A. W. Badenoch), 809
- urinary, hyaluronidase and (F. G. Smiddy), 807
- vaginal, in child (B. Eton), 912
- calf, *Bacterium coli* infections in (R. Lovell), 968
- neonatal diseases of (R. E. Glover), 967
- Callaghan, J. C. (with E. H. Botterell and A. T. Jousse), pain in paraplegia: clinical management and surgical treatment, 281
- Calnan, C. D. (*Disc.*), 1064, 1065
- arsenical keratoses and epithelioma with bronchial carcinoma, 405
- granuloma annulare (*By title*), 173
- scleredema (Buschke), 175
- vitiligo treated with meladinine (*By title*), 173
- (with R. M. B. MacKenna), trichophyton rubrum infection (*By title*), 406
- xanthomatosis (*By title*), 406
- Calvert, H. T. (*Disc.*), 659
- Camber, B. (with A. F. Bromwich and J. Adler, for L. R. Broster), three cases of male iso-sexual precocity (pseudo-puberty) associated with adrenal enlargement (*By title*), 893
- Canadian Neurological Society, joint meeting with Section of Neurology, 141, 281
- cancer, mammary and prostatic, treatment by adrenalectomy (L. N. Pyrah), 1002
- Capener, Norman, physiological and pathological aspects of locomotion in man and animals (*Disc.*): pathological aspects of locomotion in man, 962
- Capes, Mary, pædiatrics and child psychiatry—a combined approach, 1049
- Capps, F. C. W., the keratoses of the larynx (*Disc.*), 253
- the treatment of nasal polypi (*Disc.*), 1027
- carbohydrate degradation in mouth, recent advances in study of (R. L. Hartles), 645
- carcinoma, bronchial, with arsenical keratoses and epithelioma (C. D. Calnan), 405
- intra-epidermal, unusual (L. Forman), 659
- of cardiac end of stomach (*Discussion*), 109
- of nasopharynx (*Discussion*), 547
- of uterus (*Discussion*), 895
- co-ordination in care of (H. H. Evers), 117
- treatment with radioactive tantalum (T. A. Green), 907
- cardia, carcinoma (*Discussion*), 109
- (D. V. Evans), 263
- cardiac emergencies (D. Wheatley), 327
- Carey, C. Gill-, see Gill-Carey, C.
- carotid artery, left internal, intracranial aneurysm (J. Minton), 919
- spasm, cerebral pathology following (P. O. Yates), 606
- thrombosis (G. E. Smyth), 602
- (J. L. G. Thomson), 602
- pathology (B. Turner), 604
- Cathie, I. A. B., toxoplasmosis (*Disc.*), 488
- Catterall, R. C. F., congenital absence of the lower end of the tibia, see Briggs, James
- cauda equina, tumour, rectal prolapse after removal (E. C. B. Butler), 521
- Cavanagh, Florence, congenital deafness (*Disc.*): the Rhesus factor and deafness, 937
- Cavendish, A., massive vesical calculus—4½ lb. (*By title*), 592
- Cawthorne, Terence, the Ramsay Hunt syndrome (*Disc.*), 384
- and Hewlett, A. B., Ménière's disease (*Disc.*), 663, 676
- cerebral anoxia following burns (J. H. Paterson), 297
- hæmorrhage, spontaneous, pathology of (*Discussion*), 689
- pathology following carotid spasm (P. O. Yates), 606
- cervical canal, obliteration, treatment by transplantation of endometrium (M. A. van Bouwdijk Bastiaanse), 609
- cervix, adenocarcinoma in pregnancy, treated by Wertheim's hysterectomy (J. R. E. James), 463
- Chapman, T. L., operation for aberrant ulcer with unusual complications (*By title*), 592
- Charcot's vertebral osteoarthropathy (C. Worster-Drought), 913
- cherubism (A. W. Franklin), 543
- chest wall, actinomycosis (N. J. Rothfield), 127
- child psychiatry and pædiatrics (Mary Capes), 1049
- childbirth, exercises in management of (Donald Wilson), 387
- psychosomatic preparation for (W. C. W. Nixon), 385
- childhood, convulsions in, significance of (*Discussion*), 845
- uveitis in (A. G. Cross), 971

- children**, adoption of (*Discussion*), 1044
 blind, responsibility of paediatrician towards (C. T. Potter), 715
 failure of vision in, neuro-ophthalmological aspects (*Discussion*), 489
chlorpromazine, pharmacology (J. H. Burn), 617
chondro-ectodermal dysplasia (M. MacGregor), 540
choroid plexus, papilloma of (G. Knight), 915
choroidal atrophy, central, associated with macular degeneration and Tay's "choroiditis" (H. Neame), 163
 "choroiditis", see choroidal atrophy
chromoblastomycosis (K. D. Crow and R. W. Riddell), 655
Citron, K. M. (for J. G. Scadding), sarcoidosis, hypercalcaemia, calcinosis and renal impairment, 507
Clarke, Henry, hydrocalicosis, 884
 misleading aortograms: (a) hypernephroma; (b) solid transitional-cell carcinoma (*By title*), 592
 spontaneous rupture hydronephrosis (with large papilloma previously symptomless in a woman of 30) (*By title*), 592
Clarkson, Patrick, Dupuytren's contracture (*Disc.*) 365
 reconstruction of the complete penis following amputation for carcinoma (by Mr. Geoffrey Parker) using the Gillies double pedicle technique (*By title*), 32
 reconstruction of the penis after ectopia vesicae with prolongation of ejaculatory ducts to glans (after transplant of ureters into the colon in infancy by Sir Lancelot Barrington-Ward) (*By title*), 32
classes, social, variations in mortality according to (W. P. D. Logan), 562
Clay, P. R. (for C. T. Potter), galactosuria with mental deficiency (*By title*), 1035
Clements, J. M. (carcinoma of the fallopian tube), 912
Clift, Arthur, infected congenital vaginal cyst, 464
Cloake, P. C. P., some aspects of the pathology of thrombosis of the internal carotid artery (*Disc.*), 608
